### 3rd Health Programme

The Third EU Health Programme is the main instrument that the Commission uses to implement the EU Health Strategy. Annual work plans of the Programme set out priority areas and the criteria for its funding actions. The total budget for the programme is € 449.4 million. The programme has 4 overarching objectives which seek to:

- Promote health, prevent diseases and foster supportive environments for healthy lifestyles taking into account the 'health in all policies' principle
- Protect Union citizens from serious cross-border health threats
- Contribute to innovative, efficient and sustainable health systems
- Facilitate access to better and safer healthcare for Union citizens

### Welcome to the Education, Audio-visual, Culture, Citizenship and Volunteering Participant Portal

The Participant Portal is your entry point for the electronic administration of EU-funded projects under the programmes:

- Creative Europe
- Erasmus+
- Europe for Citizens
- EU Aid Volunteers.

If you plan to submit a project proposal under one of these programmes, or wish to participate as an independent expert, you are required to register your organisation or expert details here. For informal groups of young people, one member of the group should register, as a natural person, in the Organisation tab, on behalf of the group. In the Organisation tab you will be able to search for registered organisations.

# **PASO 2: Estrategia**

## Strategy for Research Groups

### Mapping

Clarify Scientific opportunity  
Identify Relevant Topics and Funding Schemes

### Strategic Networking

Identify EU officials, best scientists, gurus  
Join EU Associations/Networks/Platforms  
Promote Expertise through EU conferences

### EU Policy

Study relevant European Policy Documents

### Procedures

Participate in EU evaluations, committees

## Strategy for Newcomers

### Challenges

- Learning the Rules, procedures and Secrets (unwritten rules)
- Competing with established networks and experience

### How to start

- Mapping: Who's Who in EU research
- Visibility via networking (Networks, Conferences, Evaluation)
- Easy Start: Euraxess, Access Infrastructures
- Minor Partner to Work Package Leader to Coordinator

# RECOMMENDATIONS:

---

- ▶ Networking (use International congresses )
- ▶ Use your Institutions' EU R&D Offices: OGPI
- ▶ Become Expert for the EC
- ▶ Join efforts, exploit synergies and avoid duplicities
- ▶ Win-win strategy
- ▶ Learn together, it is impossible to know everything
